

Toll Processing Warranty Information

Steelscape certifies that all coatings will be applied in accordance with the manufacturer's specifications.

Requests for applications outside of the stated specifications will be considered but will void any future claims.

Steelscape routinely performs online tests on production samples to verify application and coating integrity.

Paint warranties covering customer-specified paint systems **MUST** be received from the paint vendor direct. Steelscape is not liable for any paint system warranties, whether expressed or implied, that are provided by a customer-specified paint vendor.
